

Modern Chemo-Gaseous Sterilant

VTC GUARD

New generation chemo-gaseous sterilant

VTC GUARD kills Bacteria, Viruses, Fungi, Yeast, Molds, Mycoplasma, Chlamydia and Spores with proven efficacy even in adverse conditions.

On application it works as a contact sterilant and on drying, it works as a gaseous biocide reaching areas which may have been missed out while applying. This property makes **VTC GUARD** an ideal sterilant for areas that can be sealed properly.

VTC GUARD has unparalleled efficacy in presence of organic matter and adverse conditions of water like pH, hardness, dissolved metallic ions, etc.

Composition:

Strong Glutaraldehyde Solution BP.....	15%w/v
Formaldehyde.....	15% w/v
Didecyl Dimethyl Ammonium Chloride	5%w/v
DM Water to Make	100% w/v
Inactives.....	q.s.

Salient features:

- Unique triple synergistic system product.
- Fast acting and long lasting.
- Rapid cell wall penetration and effective protein binding ensures total lysis.
- Reaches even to unreachable areas.
- Ideal product for sterilization of Hatcheries, setter, hatcher, hatching egg, store room.
- Properly enclosed empty sheds and allied areas.
- Can be sprayed, fogged or applied as foam.

Indications/Application/usage schedule:

Empty shed disinfection	7 ml per ltr of water	Spray*
Hatcher/Setter disinfection	7 ml per ltr of water	Spray*
Hatcher/Setter fogging	70 ml per ltr of water	ULV fogging
Hatching egg fogging	70 ml per ltr of water	ULV fogging
Hatchery disinfection fogging	70 ml per ltr of water	Thermal
FMD / Bumble foot	5 ml per ltr of water	Dip feet daily

*1 ltr. of usable solution for every 25 sq. ft. carpet area from top to bottom.

Packing:

1 ltr.
&
5 ltrs.
